Compartment enrichment from STRING
THO complex part of transcription export complex
Atg1/ULK1 kinase complex
Phagophore assembly site
Cul3−RING ubiquitin ligase complex
Recycling endosome membrane
Protein kinase complex
Mitochondrial inner membrane
Ubiquitin ligase complex
Organelle inner membrane
Mitochondrial membrane
Transferase complex
Organelle envelope
Transferase complex, transferring phosphorus−containing groups
Endosome membrane
Vacuolar membrane
Nuclear outer membrane−endoplasmic reticulum membrane network
Endoplasmic reticulum membrane
Endosome
Organelle membrane
Mitochondrion
Catalytic complex
Whole membrane
Bounding membrane of organelle
Endoplasmic reticulum
Golgi apparatus
Endomembrane system
Cytoplasmic vesicle
Cytoplasm
Intracellular membrane−bounded organelle
Membrane−bounded organelle
Intracellular organelle
Intracellular
Protein−containing complex
Organelle
Cellular anatomical entity
Non−membrane−bounded organelle
Intracellular non−membrane−bounded organelle
